

NPH COVID Policy and Waiver of Liability

Last Updated: May 2nd, 2023

COVID Policy

The Non-Profit Housing Association of Northern California (NPH) is excited to connect in-person. The health and safety of all participants is our top priority.

To protect our community:

1. We **require guests to stay at home if they test positive for COVID-19, have COVID-like symptoms, or have recently been exposed.**
2. We **encourage guests to wear an KN95, KF94, or N95 mask** while not actively eating or drinking.

In the event that the [Centers for Disease Control and Prevention \(CDC\)](#) and/or the [City and County of San Francisco](#) adopt more cautionary guidelines, we'll adjust our policy in accordance.

Face Covering

NPH encourages all indoor participants to wear masks throughout the event while not actively eating or drinking. Face coverings must be a well-fitting KN95, KF94, or N95 mask and completely cover the nose and mouth with no large gap.

Attendees are expected to bring their own masks. A limited number of masks will be available on-site.

Symptoms and Exposure

Attendees are required to stay at home if they:

- Are currently testing positive for COVID-19 on the event date,
- Have been in close contact with anyone who tested positive for COVID-19, or who have had COVID-19 symptoms within the last 5 days ([according to CDC](#))
- Are experiencing any new or different symptoms that are not related to a pre-existing condition such as: Fever, Cough, Severe headache, Sore throat, Loss of taste or smell, Difficulty breathing/Shortness of breath, Vomiting/Nausea or Diarrhea, Runny nose, or Fatigue or Body Aches

If you are unable to attend the event due to possible exposure, you may be eligible for a full or partial refund (only applicable for ticketed events).

Respecting Others' Space

NPH asks all participants to respect everyone's physical boundaries and comfort level by requesting and receiving consent before touching another participant.
