

The Housing Authority is seeking team-oriented interns to work in multiple areas of focus including Affordable Housing Development, Housing Data and Policy, Finance, Housing Programs, Asset Management, and Property Management.

Interns will work on a wide range of assignments within one of the disciplines supporting AHA's operations and programs. The internship will provide an opportunity to perform meaningful and impactful work for an agency dedicated to providing affordable housing in the most impacted region of the nation. Successful graduates from the internship program will be eligible to apply for a one year paid fellowship program with AHA.

Undergraduate Students: \$22.33/ hr. Graduates: \$25.38/ hr.

Interested applicants for the internship must submit a resume and cover letter to HR@alamedahsg.org.
